

Quality Policy

Everest Engineering Works

shall work towards a common goal of achieving
Total customer satisfaction
by following Quality Policy:

“Manufacturers & repairers Spare parts for all types of Hospital Furniture & Industrial Machinery.”

With quality, speed & cost benefit while meeting customer requirements.

This responsibility & commitment is practiced and communicated by top Management through:

Implementation of a policy, which meets the quality standards and supports the organization's purpose;

Ensuring divisions, teams, and staff interact to deliver products which meet customer needs, and also provide **continual improvement** as documented by their Quality objectives;

Also meeting **Statutory and Regulatory requirements** & by reviewing of the suitability of quality policy and procedures.

FOR

Everest Engineering Works.

Mr. Brian Fernandes

Proprietor

1st November 2011.
